New Housing Development Approved

This month, the city council approved a 240-unit apartment complex and assisted living facility at 6654 Garrett Lane. New housing is critical in meeting the demand anticipated over the next decade, as predicted by a recent market analysis. This need is driven by employment growth and replacement of aging housing stock. It's great to see our program working and generating much needed new housing units.

Rockford Welcomes Students from Sister City in Ukraine

A big thank you to all the organizations and businesses who made it possible for Rockford to host youth from our sister city Brovary, Ukraine. A special thank you to Rockford Christian School, YMCA of Rock River Valley, GoRockford, and the Community Foundation of Northern Illinois!

All of the youth have family in the military or who have died in service to protect Ukraine. Consider donating to the Brovary Relief Fund to help cover the cost of their visit.
