Going!**

Standing Up for Rockford Residents

Advocating for our community is one of my top priorities. While in Washington, D.C., I met with members of our federal delegation to push for increased support for domestic violence survivors and the vital resources they rely on.

I also took this opportunity to voice my strong opposition to the proposed closure of Rockford's Social Security Administration office. Our community members have worked hard and paid into the system for decades. They deserve accessible, reliable support—not added obstacles. I will continue to fight to keep this essential service in Rockford, ensuring that our most vulnerable residents receive the assistance they need and deserve.

Investing in Our Workforce & Community

I'm excited to share that City Council has approved the continuation of our Concrete Workforce Development Program with L T Construction for its fourth year! This incredible initiative provides mentorship, hands-on experience, and workforce development skills to at-risk and underserved young adults, helping them build a strong foundation for careers in the trades.

Building a Stronger Rockford

It was an honor to take part in the Stateline Youth for Christ groundbreaking on their new Charles Street youth center.. YFC is making a real difference by mentoring and supporting our youth—in schools, in detention centers, and now in a dedicated space. Investing in our young people means investing in Rockford's future.

Celebrating the Arts in Rockford

The Rockford Area Arts Council Awards is one of my favorite annual events, and this year was no exception! Our city is home to incredibly talented, passionate, and dedicated individuals who use the arts to inspire, uplift, and strengthen our community.

A huge congratulations to all the nominees and award recipients—your creativity and commitment make Rockford a more vibrant place to live. Let's continue to champion the arts in Rockford!

Overwhelming Community Support – Thank You, Rockford!

I am truly honored by the incredible support so many have shown to my mayoral campaign. Thank you! Over the past eight months, hundreds of individuals and organizations have contributed, demonstrating the deep trust our community has in our leadership and vision for Rockford's future.

Every donation, no matter the size, is a vote of confidence in the progress we've made and the work still ahead. This campaign isn't just about one person—it's powered by all of you. Together, we will keep the momentum going and continue building a stronger Rockford.

Thank you for believing in this mission. Let's keep moving forward—together!
